

Middlesex County Dental Society

Middlesex County & Franklin Township

Dear Friends -

Middlesex County Dental Society's food drive in 2020 was a huge success. The director of McFoods was so overwhelmed with our participation and the amount of food and monetary donations that she asked us to please have another food drive. July and August are crucial months for the food banks. Please consider helping the communities that support us. This is still a challenging time for many people that are less fortunate than us.

Please bring in any of the items that you can that are listed to the right from now through June 18th, 2021.

Help give back to the community and to those who need it the most!

Please help ensure that Middlesex County and Franklin Township residents in need have access to nutritious foods and necessities like:

- Canned Chicken
- Cereal
- Macaroni & Cheese
- Canned Meats & Sauces
- Canned Vegetables (low sodium preferred)
- Canned Fruits (low sugar)
- Diapers & Wipes
- Broths, soups, stews and chili (low sodium preferred)
- Healthy Snacks/Granola Bars
- Rice
- Pasta
- Dry Beans (red, black & pinto)
