Presidents' Messages ... Stephen Lawson

The Middlesex County Dental Society Membership Committee has focused on creating programs for incoming MCDS dentists and for those MCDS dentists who have been in practice for 5 years or less. First, the Membership Committee has organized a process to help welcome new members to our dental society. Senior MCDS members have volunteered to contact incoming new members, offered to facilitate their introduction to their colleagues at the general meeting, and explain the values of membership in organized dentistry. If you are contacted by a member of the MCDS Board of Trustees, please consider participating in our “New Member Welcoming” project. MCDS thanks Dr. Scott Galkin and Dr. Ethan Glickman for developing this noteworthy project.

Secondly, MCDS is developing study clubs that are targeted to all dentists who have been practicing five years or less. Each study club will

Sy Symanski Memorial Lecture Speaker: Dr. Michael Glick

“Emerging Infectious Diseases: An Update for Dental Healthcare Providers”

Dr. Michael Glick received his D.M.D. degree from the Hebrew University, School of Dental Medicine, Jerusalem, Israel, and his graduate training in Oral Medicine from the University of Pennsylvania. He is Professor and Chair of the Department of Diagnostic Sciences, and Director of the Division of Oral Medicine atUMDNJ. Dr. Glick’s present research focuses on provision of dental care for medically complex patients. Dr. Glick has published more than 100 articles, book-chapters and monographs on oral medicine related issues, specifically proposing protocols for dental treatment for patients with complex medical conditions. Dr. Glick serves on a number of international and national committees on HIV and other blood borne infectious diseases. He is also an ADA Seminars speaker on “Dental Treatment for Medically Complex Patients”, “Infectious Diseases”, and “Bioterrorism”.

Dr. Glick serves on the Board of Trustees of the American Academy of Oral Medicine, is a Director of the American Board of Oral Medicine, and is a consultant to the American Dental Association’s Council on Scientific Affairs, Council on Dental Practice, and Council on Access, Prevention and Interprofessional Relations. He also serves as the dental representative on the National High Blood Pressure Education Program Coordinating Committee.

Dr. Glick is the recipient of several awards for his educational and research efforts. He is the Editor of the Journal of the American Dental Association, and he serves on the editorial board of several professional journals including Oral Surgery, Oral Medicine, Oral Pathology, Oral Radiology and Endodontics. Dr. Glick is a Fellow of the American College of Dentists, the International College of Dentists, and a Diplomate of the American Board of Oral Medicine.

For the past 20 years, infectious diseases have had a great impact on dentistry, which has resulted in changes of dental practices, as well as defined the role of dentists in the health care community. New and emerging diseases are often in the headlines, and dental professionals are often looked upon as informational resources by both their patients and staff. Keeping current on the latest disease is some times an overwhelming undertaking. This presentation will help oral healthcare providers gain a valuable perspective on topics such as epidemiology, transmission, contagion, and the role of dental care providers.

MCDS Board of Trustees Report

- March 14, 2006 -

Attendance: Ashmen, Brunsdn, Courey, Glickman, Lawson, Leizer, Nandra, Patel, Prabhu, Rosen, Savage, Schambra, Silverstein, Simos, Villa, Vitale, Wasserman, Weiner

Acceptance of Minutes-vote unanimous.

President's Report-Stephen Lawson

The MCDS Board of Trustees thanked Dr. Paresh Patel for attending our Board meeting.

Dr. Arpan Nandra will attend a meeting of the Oral and Oropharyngeal Cancer Workshop of the Governor's Task Force on Prevention, Early Detection and Treatment of Cancer in New Jersey next week. A report will be presented at the next executive board meeting.

The 2006 Greater New York Dental Meeting is sponsoring a free program. To receive an invitation, all interested dental study clubs can fax their contact information to Dr. Joseph Cipollina, 2006 GNYDM Committee Chairman, at 516-763-6736.

I attended the MCDS Membership Committee Meeting on February 22, 2006. I want to thank the committee members who attended the meeting: Drs. Galkin (Chair), Leizer, Wasserman, Savage, Villa, Brunsdn, Kahn and Glickman. MCDS also is grateful to Ethan and Marlene Glickman for hosting the meeting at their home.

Sponsorship Opportunities at the 2006 NJDA Annual Convention are available. Anyone interested should contact Ricky Dibofsky at NJDA.

Mid Atlantic Insurance Resources, the broker of the Association's endorsed medical malpractice carrier will contact our Program Chairperson about presenting a program at an upcoming general membership meeting.

Any resolutions to be presented to the House at the 2006 Annual Session, must contact Mrs. Phyllis Cortazzo by April 10, 2006.

Treasurer's Report-James Courey

See full report on page 3.

Program Chairperson's Report-Scott Galkin

Dr. Gerry Greitzer will be speaking this month on the topic of "Adhesive Dentistry," this will be sponsored by Asteto. He has spoken throughout the country on the topic of dental materials and spoken numerous times at the IADR meetings.

Our full day course with David Garber is next month on Wednesday, April 19th. So far we have over 120 people signed up for the course with over 1 month left for registration.

We are getting closer to Staff Night on May 16th. Laura Jo Vitale-Bender is doing a great job getting free prizes for raffles and giveaways. Again the theme is a Hawaiian Luau Night. Please spread the word that the dress is casual; shorts/skirts and Hawaiian shirts are preferred. There will be a DJ with lots of music and dancing and it should be a real fun night.

NJDA Council Reports:

Membership-Ethan Glickman for Scott Galkin

The committee put together a welcome packet for new members. Members of the Board are inviting new members to be their guests at the general meeting - to welcome them to our society, introduce them to other members, make them aware of the values of being a member, make them aware of the dues structure, and to provide them with a point of contact for any questions they may have.

Peer Review-John Fahsbender, Mark Vitale

Two cases were mediated this month.

Just a reminder that the purpose of the Peer Review process is to

Continued on page 3

be limited to about 8 members. The topics and the meeting time and location will be decided upon by the members of each study club. A senior MCDS member will initially assist in the organization of each study club. Senior MCDS dentists and specialists will be available to lecture on specific topics. Please contact the MCDS Executive Secretary, Marlene Glickman, for further information. Please take advantage of this great member benefit.

Two nationally recognized dentists will lecture MCDS members in April. At our April general membership meeting, Dr. Michael Glick, will speak on "Emerging Infectious Diseases". In January 2005, Dr. Glick was appointed as the editor of the Journal of the American Dental Association. For the past 92 years, there have only been 11 editors of JADA, the most prominent dental publication in the world. Dr. Glick is the professor and chair of the Department of Diagnostic Sciences at UMDNJ. He has published more than 100 articles, book chapters and monographs on topics related to oral medicine.

At the MCDS full day CE course on Wednesday, April 19, Dr. David Garber will speak on Esthetic Success --- 'By Design'. Dr. Garber has post-doctoral training in both periodontics and fixed prosthodontics. Dr. Garber lectures extensively on multidisciplinary approaches to optimizing esthetics. This course will provide 7 CEU credits for only \$65 for MCDS members. Your staff members are also invited to attend this course.

Correction

In the March issue, an article stated that Dr. Richard Kahn had been elected Treasurer of NJDA for the 2006-7 term. In actuality, Dr. Kahn has been formally nominated to be the next Treasurer of NJDA for the 2006-7 term. On June 9, 2006, the NJDA House of Delegates will vote upon his nomination. He currently runs unopposed.

Dental Specialist seeks office space in previously existing office (with or without equipment) or in existing office in either East Brunswick or New Brunswick.

Please contact Dr. Blume at
732-995-2496 or
OBTUR8RMOM@aol.com.

MCDS Board of Trustees Report

Continued from page 2

mediate disputes between patients and their treating dentists. If you get a call from the Peer Review committee, and you think that the treatment you provided was not in error, don't feel obligated to return your fee to the patient. We see this happen frequently - the doctor is probably in the right but doesn't want to participate in the process and just returns the fee. There is no down side to participating in the Peer Review process; decisions made in favor of the patient (whether refunds are voluntary or not) are **not** reported to the National Practitioner Data Bank - this is one of the main benefits of Peer Review.

Committee Reports:

Mentor-Ethan Glickman

We are considering a course to be held in either April or October with Dr. Harold Baumgarten and Dr. Frank Lauciello. Excel-Berger dental lab would be the sponsor.

Continuing Education-Mark Schambra

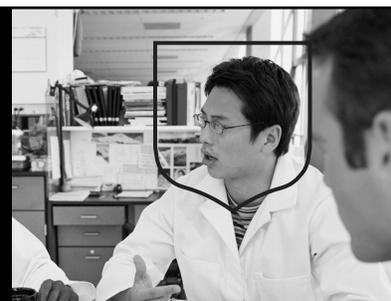

The date for the lecture with Dr. John Kois is April 25th, 2008. He was not available before then, and this was the only date in 2008 that he was available.

Respectfully Submitted,
Mark Vitale

EDUCATION, PRACTICE MANAGEMENT, CAMARADERIE

In order to better serve our members, the MCDS Mentor Committee is organizing study clubs for those dentists who have been practicing five years or less. Please call our executive secretary, Marlene Glickman, at 732-238-1255 to join.

Imagine being part
of a team that
makes a discovery.

Dentist I

UMDNJ-Robert Wood Johnson Medical School is seeking a Dentist for our Community Health department. You will be responsible for the overall administrative and clinical treatment services of the dental program. You will also develop policies and procedures and direct the quality improvement program to insure the provision of appropriate and high quality care.

Qualified candidate must have a license to practice Dentistry (DDS or DMD) in the state of New Jersey, have five years of experience as a practicing Dentist and five years experience in the administration of a dental service. Candidate must also have excellent written and oral communication skills and be resourceful, organized, self motivated and self directed.

UMDNJ offers a competitive salary & comprehensive benefits package. For more information and to apply on-line, please visit www.umdj.edu/hrweb and ref job #05PS993981. Affirmative Action/Equal Opportunity Employer, M/F/D/V.

Esthetic Success --- 'By Design'

Wednesday; April 19, 2006 8:30AM to 4:30PM 7 CEU credits

LOCATION: Pines Manor in Edison, NJ Sponsored by MCDS and Kuwata Pan Dent

DENTISTS: MCDS members \$ 65 / NJDA members \$100 / Non-Members \$ 225

All Staff \$45 per person

Dental practice in the new millennium has evolved dramatically --- new ceramic systems, coupled with predictable bonding, have changed and expanded treatment planning for enhancing smile esthetics with less-invasive techniques. Today's patients look beyond the restoration of individual teeth and contemplate enhancing smiles in their entirety. Dentists need a predictable template of "10 definitive Steps to Smile Design".

This presentation will address the *changing, integrated face of dentistry*....

The program will update the generalist and specialist, as well as their auxiliary staff on state-of-the-art technique and materials in restorative dentistry, esthetics, cosmetic periodontics, and implantology.

MCDS Annual OSHA Seminar/Certification

THURSDAY JUNE 22, 2006

Time: Registration: 6:00 pm Program: 6:30 - 8:30 pm

Place: St. Peters Medical Center, New Brunswick, NJ

Tuition: MCDS Member Dentists & Staff **\$15 per person** [member benefit] Non-members \$65 per person

This program will satisfy the OSHA standard on Occupational Exposure to Blood Borne Pathogens, which is **required annually for dentists and staff**. Each office person trained will receive certification that they have been properly instructed for this OSHA regulation on Infection Control.

Two CEU credits will be awarded to those attending this 2-hour seminar. This seminar is available to our members as a **member benefit of MCDS**
